The file relating to the Extension of the Concession for 3 years from 1-8-35 is placed below. A Loan of Rs 1500/- is being sanctioned every year to make grants to the L.M. Societies to meet their working expenses in the initial stages. The Central L.M. Bank was hitherto getting a subvention annually to meet the pay of the Official Secretary. This subvention has been increased to Rs 3000/- during the ~~year~~ current

The proposal of the Registrar to continue the concession of exemption for another period of three years is for consideration and orders. Subs

His Exemption has been in force now, for a total period of six years (from 1.8.32 to 7.8.38). It is for consideration whether any further concession need be shown in this direction, especially in view of the reduction in the rate of interest charged by the Central L.D. Bank, the subvention granted to the Central L.D. Bank by Govt., and the grant of Rs 1500/- by Govt. to meet the working Expenses of the L.D. Societies.

Before deciding the question, it may perhaps be useful to ascertain what the charges on Stamps and Registration would be, if the exemption were withheld.

Sir,.

Adverting to Government Order No.D.7547-51/L.M.25-34-2 dated 22nd May 1935 exempting Land Mortgage Institutions from payment of fees leviable under the Stamp and Registration Acts for a period of 3 years from 1st August 1935, I have the honour to state that this concession expires on 1st August 1938. The operations of the Land Mortgage Bank have not expanded sufficiently, and a large number of Land Mortgage Societies are still working at a loss and are being given grants from Government to meet their working expenses. With a view to help the speedy development of these institutions, Government have very recently been pleased to appoint a special staff of six Inspectors of Co-operative Societies exclusively for land mortgage work, and if in addition, the concession referred to above is continued, it will serve as an additional attraction for popularising the Scheme and consequently affording substantial relief to the - indebted agriculturists. The question was considered by the Board of Directors of the Bank at their meeting held on 12th December 1937 and it was resolved that Government be requested to continue the - exemption for a further period of 3 years. A copy of the Resolution of the Board is forwarded herewith for kind perusal. In the above circumstances, I request you to be so good as to obtain orders of Government exempting the Land Mortgage Institutions in the State for a period of 3 years more from 1st August 1938 from payment of all fees under the Stamp and Registration Acts. It is trusted that at the end of that period, the Land Mortgage Bank and Societies will

will have developed sufficiently and that it will not be necessary to continue the above special concessions of total exemption in favour of these institutions.

I have the honour to be,
